### About Circling Hawk Farm

Circling Hawk Farm operates over 300 bee colonies on Ontario's Oak Ridges Moraine, producing premium raw honey and traditional mead. Located in Richmond Hill, we combine sustainable beekeeping practices with artisanal production methods. Our family-owned operation focuses on quality craftsmanship, environmental stewardship, and the vital role honeybees play in our ecosystem. We're passionate about educating customers on the journey from hive to bottle while supporting local agriculture and pollinator conservation.

### Position Overview

We are looking for an energetic, dependable and motivated individual to help with managing our orchards and to help with honeybee colonies and some delivery work. Our ideal candidate would be great with customers, highly organized and have some farm work, beekeeping or gardening experience.

## Key Responsibilities

- Fertilizing, planting, grafting, weeding, and harvesting orchards
- Assist with farm tours and group bookings
- Drive beekeeping truck and assist with managing bee colonies
- Build bee boxes
- Irrigation management
- Assist with some weekend events

## Requirements

- Valid Ontario driver's licence (required)
- Available to work some weekends and events
- At least 18 years of age at the start of employment
- Canadian citizen, permanent resident, or person to whom refugee protection has been conferred under the Immigration and Refugee Protection Act
- Legally entitled to work in Canada in accordance with relevant provincial or territorial legislation and regulations
- Excellent organizational skills and ability to multitask effectively
- Good physical condition and able to work well with others
- Fluent in English
- Must have own transportation to and from the farm daily (public transit access is limited)

## Assets (Not Required)

- Construction skills
- Interest in learning about beekeeping and honey farming

## Additional Information

You will need to bring your own lunch daily. Access to and from the farm by public transit is not practical, and applicants must have reliable transportation.

## How to Apply

Interested applicants should submit their resume and explain how they will get to and from the farm each day.
